Committee Reports

Education. Chris, KC8RQT has received little feedback about the kits to be built.

It was requested that there be a technician "Ham In A Day" class this fall.

Byran, KD8LDX volunteered to head this up, and Tom K8TB will help him.

Events. Bryan, KD8LDX and Phil, K8PVH report that all 6 stations for field day are filled up.

A motion was made and approved to allocate \$ 150 for food and \$ 75 for gas for field day.

Ike mentioned that there was a request for communication help for parking at the Vietnam Veteran

Wall display that will be at the Graafschap Christian Reformed Church, July 4th.

Please contact N8GWA, Ron Mokma if you can help.

On September 8 there will be a Cystic Fibrosis "Cycle for your Life" event that will need communication help.

Please contact Steve Vanderhill, N8UJD.

We then had a pause in the meeting for refreshments.

Meeting Talk: The talk was an informal review of QRP in the Park, VHF contest in the Park, and of the upcoming Field Day. Talk also included thoughts on Dayton, 2012, especially from those who saw it for the first time.

Meeting was closed at 8:15 PM
